Prashid Pradhan

| Banepa, Kavre, Nepal | 9860316108 | stropher@gmail.com LinkedIn

Data Analyst/Annotator with a background in software, databases, and web applications. Experienced in AI data workflows and analysis, with ongoing hands-on work in SQL, coding, personal web projects, and small UI builds. Also experienced in basic graphic design, including logos and pamphlets. Highly eager to grow in technical roles and quick adaptability learner.

Technical Qualifications

- **Programming Languages**: Java, C, C++, C#, Python
- **Web**: HTML, CSS, JavaScript, PHP, ASP.NET
- **Database**: Oracle Database, SQL, MySQL
- **Concepts**: OOP, Database System, Algorithm, Web Development
- **Tools**: Oracle Database, Apache, Eclipse, Aptana, XAMPP/ WAMPP, Visual Studio, Adobe XD, Photoshop, Illustrator

Work Experience

6-month Internship on ASP.NET at Professional Computer System (PCS) (2017-2018)

- Developed MVC web applications and Web Forms using ASP.NET
- Worked with SQL databases for backend integration
- Collaborated with senior developers on real-world projects

Designer at Gaule-Tech [Freelance] (2022-2024)

- Designed logos, pamphlets, and leaflets using Adobe Photoshop and Illustrator
- Delivered client-focused design solutions and handled multiple freelance projects

Cloud Worker at Cloud factory (2019-Present)

- Worked on Pathr.ai and Enigma projects performing data annotation and AI model training
- Utilized Tools like Dataloop, Calibration tool and Excel/Google sheets for data validation, processing and quality control
- Web Researched data for verification and validation with data management on Google sheets (Enigma Project)
- Performed data analysis and supported training datasets
- Ensured high data accuracy and contributed to efficient AI workflows

Education

- **BSc (Hons) Computing | 2013-2017 | Leeds Beckett University (The British College)**
  - Electives: Advance Database and Advance Software Engineering
  - Upper Second-Class Honors
- **HIGHER SECONDARY EDUCATION BOARD (HSEB), Management | 2011-2012 | SOS Hermann Gmeiner Kavre**
  - Percentage Attained: 50.6%
- **SCHOOL LEAVING CERTIFICATE(SLC) | 2010 | Vidhya Sagar School Banepa**
  - Percentage Attained: 68.88%

CERTIFICATIONS / TRAINING

- Python Programming (30 Hours) – Broadway Infosys
- Adobe Illustrator Training (25 Hours)– Broadway Infosys

SKILLS

- Skilled at interacting with clients and users from all socioeconomic backgrounds
- Ability to adapt with new programming language and working environment
- Report, Proposal & Presentation slides making ability gained through my experience while making project proposal, reports and presentation slides during my undergraduate projects.
- Good communication skill with people of different group gained through my experience during daily routine.

Academic Projects

E-commerce website | PHP | 3rd YEAR PROJECT

- Implemented registration, search, and filtering features with User-friendly UI
- PayPal integration
- Learned to work with a team dividing the task on each individual
- Implemented email verification system for users
- Used Oracle OCI database

Data Warehouse Design | Apex Oracle | 4TH YEAR PROJECT

- Implemented ETL (Extract, Transform, Load) processes
- Created procedures, functions, and package
- Generated reports and performed performance tuning (Oracle)

Bug Tracking App | Windows Form APPLICATION | 4TH YEAR PROJECT

- Windows Form Application which track bugs and provides detail information about the bugs.
- Conducted thorough testing to ensure reliability.
- Documented project details and delivered compelling presentation.

Blood Bank Web Application | ASP.NET MVC| 4TH YEAR PROJECT

- Planned to implementation stages
- Developed donor management system with user-friendly UI
- Sorting Donor list by Location and provide contact details
- Conducted rigorous testing to ensure user ease and implemented security registration through email verification.
- Documented project details and delivered compelling presentation.
